

Ⓟ Packages

At Sydney Treasures Photography, **you will receive digital images on any packages that you choose.** That way, you can share your wonderful memories with all of your loved ones at no additional cost.

On top of that, **you are not locked into any packages** like other photographers in Sydney. You can view your photos from the session, then you can choose which package suits you best at anytime.

Our booking / session fee is \$150.00

This covers 1-2 hours photo session at the locations of your choice. Unlimited photos will be taken by one of our experienced photographers during this time. The session can be done at the beach, the park near you, your home.

After your photo session, you will be able to view your stunning photos on our online gallery site for 7 days, This is when you select your favorite photos or optional products such as canvas or album.

Our price changes depending on how many images you select after the session. **That way, you only purchase your favorite photos only.**

All your packages include:

- ★ Professional quality medium size digital files of your choice on USB (Non-watermarked & printable up to A4 size)
- ★ Free online gallery for you to share your photos with your loved ones.
